# Our History

Gary's Ice Cream opened on August 9, 1973. Prior to opening, Gary had worked through High School and College at Glennie's Ice Cream in Lowell where he learned the business from John A. Glennie, the originator of the roadside ice cream stand concept in this area. Since 1973, Gary's Ice Cream has always made all their own ice cream at the Gorham Street location. Over the years there were additional shops in Chelmsford Center, Salisbury Beach, Tyngsboro, and Lowell, Mass. As of 2009 Gary had closed all locations except for the original Gorham Street shop. Gary's Ice Cream still makes all of its own Ice Cream, Fudge Sauce, Syrups, Cookies, Brownies and Shortcakes.
